

# ACCEPT ONLY THE TRUTH

SHRI MATAJI NIRMALA DEVI, MUMBAI, 28 AUGUST, 1973 (EXCERPTS)

1

All the wrong ideas about love, all the falsehood about love has to be given up. One must know that it is the dynamic power. And it won't allow you to sit comfortably with yourself, enjoying the peace and the bliss, when the rest of the world is not enjoying that and is playing into the hands of the evil geniuses who have come in this world to destroy and to bring the satanic realm on this earth.

There is no doubt that there is negativity and positivity, nothing in between these, you must remember. There is no compromise between the two. Either it is light and darkness, or it is positive and negative — definitely there are two things that are fighting. Only thing, your will — that's the trouble with the whole joke. That your will is respected, your will is throughout respected. If you have the will to be a giant that loves, you can be.

The other day I met a psychiatrist, and he was catching his superego very much. I said, "What's wrong with you?" He said, "My childhood. My childhood, I couldn't get much love." I said, "Now, you come in my lap. Take the love." He said, "I want to flow my love, Mother. I want to open out myself, completely, without any fear." I said, "You just start it. Don't worry what people are going to misunderstand, what people are going to say. It's nothing important what people are going to say or anything. For love, the satisfaction is only love, that you love another person."

"You just flow your love," I said, "and you will see it will work out. Just decide that 'I am going to love people.' And once you decide that, the whole heaven, the whole power of the heaven will fall at your feet. You believe me in this."

If you see otherwise, I am an ordinary housewife. Some people always say, "Mataji, how can we be like you?" Why not? I am just like you. I have the same problems as you have. But only thing I know, that I am nothing but embodiment of that love that is divine, and I can't exist without it. Every moment of my life, let the love flow, let the love flow. Every wave of my mind conveys the love. And that makes you completely powerful.

And now it is going to click like a spark. The chain reaction will start. But we have to have strong machines to carry that. Otherwise the fuse will be off. Only the strength that is in you is to be felt by your attention. That's the only thing you have to do — is to feel your attention and give up all that is falsehood. All that is falsehood you see within yourself, and you will know what is falsehood and just drop it. Accept only the truth, and the truth will give you that power to be the real instrument, to carry this channel, that force of love.

It should not mean that you have to be egoistic — you cannot be even if you try to. You cannot harm anyone even if you want to.

So many of you have expressed that, "Mataji, you are giving it to every Dick, Tom and Harry." I can't give it to Dick, Tom and Harry — it has to be a man who has been searching, it has to be a woman who has been searching in their previous lives. You should know that whatever you have got it, you have got it in your own right. So, a person may look like a Dick, Tom, Harry, but he is not, he's a great saint. They are all saints sitting here. It's a center and nucleus of saintliness where the complete Divine is flowing. Only thing is, let it flow out from you.
